Dear Lay Minister Team,

Thank you for your service to the church. If you are taking communion out to a parishioner., please stand to the east side of the steps by the altar after the blessing. Wait until the crucifer walks up and bows to the altar. This gives him space to move and then you can move in behind him as he or she turns to the congregation.

Please remember to get a replacement for yourself if you are ill or will be gone. Having the correct names in the bulletin allows people to get to know who you are, and assures the ushers and worship coordinator that you are present.

If you are a new reader, come a little early and introduce yourself to the Worship Coordinator. Enjoy being part of our service team. There is a Thanksgiving morning Eucharist that we will need help with. If available, call the office.

An updated list of volunteers for both services has been sent out by e-mail. Please check off your name on the list in the narthex if you received a copy. We need to know who still needs a copy. Your friend in Christ, Bonnie 324-7949
